

TRANSPORT REFRIGERATION MAINTENANCE & SERVICE

Deliver Your Refrigerated Goods with Consistent Reliability & Predictable Costs!

When you lease or rent refrigerated vehicles from Idealease, you get a great truck backed by superior service, and peace of mind that your goods will arrive on time and in great condition.

We are truck leasing refrigeration experts. Idealease certified technicians receive the most comprehensive refrigeration system repair and maintenance training in the commercial truck industry. Idealease refrigerated service locations have the tools and parts to quickly and efficiently perform Preventive Maintenance, repairs and other services in-house. We reduce service time by eliminating the need for third party repair services. We are certified to repair and maintain Thermo King and Carrier Transicold refrigeration systems.

IDEALEASE DEDICATED MAINTENANCE

Idealease provides Dedicated Maintenance for vehicle chassis and refrigeration equipment – all at a fixed, predictable monthly cost.

A Dedicated Maintenance Service Agreement for your refrigerated trucks includes:

- Refrigeration system electrical repairs, diagnostics and fault testing
- Preventive Maintenance of both the chassis and the refrigeration unit
- Idealease Priority Service (no waiting in line)
- Regular service intervals

Maintenance & Service Benefits:

- Technicians certified to maintain and repair Thermo King and Carrier Transicold equipment
- Reliable refrigeration system performance
- Increase vehicle uptime
- Routine Preventive Maintenance
- Advanced diagnostic and troubleshooting capabilities
- Microprocessor testing and electrical repairs
- Reduce need for substitute vehicles
- Reduce or eliminate rejected loads

Idealease refrigeration technicians are trained and certified to diagnose and repair Thermo King and Carrier Transicold refrigeration systems.
